

Bristol Community College | Fitchburg State University

Guaranteed Admission Agreement – Participation Form

OPPORTUNITY

Students admitted to and enrolled in Bristol Community College’s Associate of Science in Nursing (RN) program have the opportunity to complete their studies at Bristol while also maintaining “Pending Admission” status in Fitchburg State’s Bachelor of Science (BS) in Nursing program. Students are guaranteed admission if they successfully graduate with all required courses at Bristol and have a valid nursing license in good standing.

STUDENT OBLIGATIONS

Students must earn a grade of 77 (C+) or higher in Microbiology: BIO 239, Anatomy and Physiology I: BIO 233 and Anatomy and Physiology: BIO 234 prior to registration at Fitchburg State. “Pending Admission” will change to “Regular Admission” status once students have submitted their final Bristol transcript showing completion of the ADN program and their valid nursing license in good standing is confirmed. To remain qualified for guaranteed admission at Fitchburg State University, students must be consecutively enrolled at Bristol and begin the program at Fitchburg State the fall semester directly following completion of their Bristol program.

STUDENT BENEFITS

Students who have been admitted to Fitchburg State through this guaranteed admission process will have access to an assigned University representative to help answer any questions they have throughout the process. Students will also be invited to participate in all health and nursing related special events on campus such as speaker series or student-focused events. Academic credits earned as part of the required RN program at Bristol will be applied towards the Bachelor’s degree at Fitchburg State University.
