

Spend your vacation having fun and making new friends at BCC Kids College in Attleboro!

Kids College offers children in grades 1-12 fun and learning at Bristol Community College. Scheduling couldn't be easier - each club meets for a week and runs Monday through Thursday. For more information or to check out the Kids college schedule online, visit our Website at www.BristolCC.edu/kidscollege

GRADES 1 & 2

Beginning Guitar Club

This class is for students who possess a genuine interest in learning the guitar, and enjoy music. Owning your own guitar is preferred, but with advance notice it may be possible to procure guitars. 14176 KC12 29 6P Attleboro \$95
TWRF 09:00 am - 12:00 pm
7/6/2010 - 7/9/2010

Hands on Science Club

Experience science with hands on activities. Learn all about estimating, predicting and measuring through planting, bubbles, rainbows, making "glop," and more! 13878 KC12 11 2A Attleboro \$95
MTWR 09:00 am - 12:00 pm
8/9/2010 - 8/12/2010

Intro to LEGO Engineering Club

These courses are designed to start students with the fundamentals of science, mathematics and robotics with an integrated curriculum and hands on projects. Students build and work with models to investigate fixed and movable pulleys, gears, and belt drives. Kits not included. 13863 KC12 31 3A Attleboro \$110
MTWR 09:00 am - 12:00 pm
7/19/2010 - 7/22/2010

Math Madness Club

Explore innovative, invaluable, and fun ways to reinforce mathematical concepts through creative, challenging, and unique hands-on activities. Math will be integrated with selections of popular children's literature using a variety of manipulatives to investigate a wide range of grade appropriate math skills. Working in cooperative groups, children discover how to make math come alive. Let your child become a mathematic fanatic this summer. 13864 KC12 20 4A Attleboro \$95
MTWR 09:00 am - 12:00 pm
7/26/2010 - 7/29/2010

Young Authors Workshop Club

In this exciting workshop, students will learn to develop their writing abilities. They will write their own stories, draw illustrations, and bind their creation into a unique hardbound book. Even the youngest of writers will enjoy putting together their own special books to read and share with others for many years to come. 13865 KC12 08 5A Attleboro \$95
MTWR 09:00 am - 12:00 pm
8/2/2010 - 8/5/2010

GRADES 3 & 4

Beading Fun Club

Have fun while learning the basic skills of jewelry making. The class will teach the basic steps of creating necklaces, bracelets, and other jewelry sets. Come join us for beading fun and start creating! 13872 KC34 37 1A Attleboro \$95
TWRF 09:00 am - 12:00 pm
7/6/2010 - 7/9/2010

LEGO Engineering I Club

The students will work in a lab type setting with one LEGO Technic kit for each 2 students. This course encourages hands-on (tactile) learning, promote team building, allow creativity in construction and to have fun with basic science and mathematics. Kits not included. 14758 KC34 36 3A Attleboro \$140
MTWR 09:00 am - 12:00 pm 7/19/2010 - 7/22/2010
14759 KC34 36 5A Attleboro \$140
MTWR 09:00 am - 12:00 pm 8/2/2010 - 8/5/2010

Perfect Paragraphs Club

Learn how to write an opening sentence, supporting details, and a closing sentence to help you whiz through writing assignments at school! Use graphic organizers, learn parts of speech, as well as correct punctuation. 14297 KC34 39 2A Attleboro \$95
MTWR 09:00 am - 12:00 pm 7/12/2010 - 7/15/2010

Reading Skills Club

Use short stories, activity sheets and thinking questions to build reading comprehension skills. Improve ability to identify fact to answer specific questions. Learn how to recognize the main concepts, distinguish fact from opinion, understand cause and effect, and predict outcomes. 14296 KC34 40 4A Attleboro \$95
MTWR 09:00 am - 12:00 pm 7/26/2010 - 7/29/2010

GRADES 5 & 6

Be a Detective Club

Calling all super sleuths! Something mysterious is going on, and it is your chance to use logic skills to solve "The Great Chocolate Capers". Together we will gather evidence, follow clues, develop theories, fingerprint suspects, and of course solve the mystery! 13841 KC56 39 3A Attleboro \$95
MTWR 09:00 am - 12:00 pm 7/12/2010 - 7/15/2010

Creative Wearable Jewelry Club

Use your imagination to design and produce different types of jewelry using beads and naturally found objects such as shells and seaglass. You will have fun while learning techniques such as drilling and grinding or even making beads out of clay. All will enjoy! 13888 KC56 37 5A Attleboro \$95
MTWR 09:00 am - 12:00 pm 8/2/2010 - 8/5/2010

Engineering Lego Club

The four-day camp series will focus on individual and small-team design projects while fostering an understanding of science and physical principles, and computer programming. The students are exposed to design and construction along with logic programming as they work on fun engineering challenges. Students will also engage in solving various scientific (biology, chemistry, physics) challenges through software based interactive activities. Kits not included. 14754 KC56 47 1A Attleboro \$110
TWRF 09:00 am - 12:00 pm 7/6/2010 - 7/9/2010
14755 KC56 47 6A Attleboro \$110
MTWR 09:00 am - 12:00 pm 8/9/2010 - 8/12/2010

Scrapbooking Club

Create your own scrapbook. Learn about page layout and cropping a picture. This class is sure to enhance your creative talents and provide you with a scrapbook of memories. 14762 KC56 13 4A Attleboro \$95
MTWR 09:00 am - 12:00 pm 7/26/2010 - 7/29/2010

Sustainability Club

Sustainability Club has been developed with a vision of delivering a four-day curriculum for grades 5 and 6 students. The goal is to increase youth knowledge and awareness about the global ecological crisis, with the hope that this increased awareness will help moderate the behavior of future generations and inspire political action for positive environmental and social change. 14760 KC56 46 2A Attleboro \$110
MTWR 09:00 am - 12:00 pm 7/12/2010 - 7/15/2010

GRADES 7 & 8
