In the wake of Coronavirus pandemic in the country that is closing schools, businesses, main attractions and events, Comcast Cable is reaching out to low-income families to offer assistance so they can stay connected.

Low-income families in the Comcast service area can sign up for 60 days of complimentary Internet Essentials service, which is normally available to all qualified low-income households for $9.95/month. Also, Comcast is increasing Internet speeds for the Internet Essentials service from 15/2 Mbps to 25/3 Mbps for all new and existing customers, which will be the speed of the service going forward.

HOW TO ACCESS: https://www.internetessentials.com

To sign up, applicants can simply visit www.internetessentials.com

There are also two dedicated phone numbers:
1-855-846-8376 for English
1-855-765-6995 for Spanish.
During this time of uncertainty and required in-home learning, Cox is helping get families in need connected to the internet through our Connect2Compete program. Effective Monday, March 16, we are providing:

- Limited-time, first month free of Connect2Compete service, $9.95/month thereafter
- Until May 12, 2020, we are providing phone and remote desktop support through Cox Complete Care at no charge to provide peace of mind and ease for technology needs
- Resources for discounted, refurbished equipment through our association with PCs for People
- A Learn from Home toolkit for schools, including instructions on how to fast-track eligible students without internet access

Visit: www.cox.com for more information
Massachusetts RMV- All Massachusetts RMV and AAA offices that serve the public are closed on Monday and Tuesday and expiring licenses/permits are being extended. All Massachusetts RMV and AAA offices that serve the public are closed on Monday, 3/16 and Tuesday, 3/17. Scheduled road tests are cancelled on these days also.

Additionally, all Class D, Class DM, ID cards, and Learner’s Permits that have expired or are expiring between March 1, 2020 and April 30, 2020, will have a 60-day extension applied to the current expiration date on the credential.
