Dear Friend of Bristol,

Our annual benefit golf tournament, Birdies for Bayhawks, is shaping up to be a great event!

The 25th annual benefit golf tournament will be held at the Donald Ross-designed Country Club of New Bedford on Monday, September 13, 2021, with a noon shotgun start. We are excited about a few changes we are making to ensure the safety of the tournament players during COVID-19 and the ongoing success of this fun annual event. Due to COVID-19 and the safety of all our players and staff, we will continue to follow direction from the state as well as the Bristol Together Plan. The Country Club of New Bedford is committed to providing our players a safe and enjoyable day on the course.

We hope you will join in a day of fun to raise crucial support for our college and its mission. In partnering with Bristol athletics, the tournament creates funding for programs such as transfer advising, wellness and time management clinics that support our scholar-athletes.
