HEALTH SERVICES

Immunization Information: Massachusetts requires certain students to submit proof of immunizations to Bristol, typically before the start of classes but absolutely no later than 30 days after the start of classes.

Requirements apply to the following students:

- Full-time students, under 30 years of age, who are taking at least 12 credits in any semester.
- Full-time Clinical Health Science students, regardless of age. This includes Clinical Laboratory Science, Dental Hygiene, Medical Assisting, Nursing, Occupational Therapy Assistant and Phlebotomy.
- Full-time or part-time students attending Bristol while on a student visa, including foreign exchange.

 Failure to comply will result in a hold being placed on your records, preventing registration for courses.

Immunization records may be obtained from your doctor's office, your past school (college, elementary schools, or high school), your State Board of Health, your town nurse or military records.

Required Immunizations: It's okay if you don't understand these details; your record will contain the information needed.

1. Tdap/Td: One (1) dose within the last 10 years.
2. Hepatitis B: Three (3) doses or laboratory evidence of immunity.
3. MMR: Two (2) doses or laboratory evidence of immunity.
4. Varicella: Two (2) doses or laboratory evidence of immunity or reliable history of chicken pox.
5. Meningococcal: One (1) dose MenACWY (formerly MCV4) required for all full-time students 21 years of age or younger. The vaccine must have been given on or after student's 16th birthday. Students may decline the MenACWY vaccine after they have read and signed the MDPH Meningococcal Information and Waiver Form, which is available in the Student Health Center (E104, Fall River).

Education & Health Science students: Your program will contact you with instructions on where to submit your immunization records as well as required paperwork for background checks. Additional immunizations are required for your program. Please watch your Bristol email for more information. Be sure to include your student ID number and program of study.

All other students: Submit your immunization records to Health Services either in person (E104, Fall River) or by fax (see above). Be sure to include your **student ID number** and **program of study**.

VIEWING YOUR TUITION BILL

E-Bill provides you with convenient, secure access to your Bristol billing statement through your **accessBCC** account. Learn more at BristolCC.edu/eBill.

You are responsible for checking your latest E-Bill and ensuring that it is paid on or before the due date.

! Your **tuition payment is due** each semester by a scheduled due date; if you register after this date, payment is due at the time of registration. If your payment is late, you are in jeopardy of losing your original course schedule.

! You have the option to grant access to your tuition bill to a parent/guardian or authorized third party through **accessBCC**. If you do not select this option, you are responsible for providing a copy of the bill to them, if needed. If your charges are being paid by a third party, you must also contact the Student Accounts Office at 774.357.2160.

PAYING YOUR TUITION BILL

Bristol offers you a variety of ways to pay your bill:

Online: with credit card* or checking account via **accessBCC**

Nelnet Campus Commerce Payment Plan*: This is not a loan program. There is no debt, no interest. No finance charges are assessed and there is no credit check. The cost to budget your interest-free monthly payment plan is a \$25 per semester non-refundable enrollment fee payable to Nelnet. For more information and how to enroll, go to BristolCC.edu/PayOnline.

** A 2.75% service fee will be applied for credit card payments. Bristol accepts Visa, MasterCard and Discover.*

APPLYING FOR FINANCIAL AID

To be considered for grants, work study, and/or loans to help with your college costs, apply for financial aid as soon as possible by filling out the **Free Application for Federal Student Aid (FAFSA®)**. You must be admitted to an eligible academic program to receive financial assistance. Information and forms can be downloaded from our website: BristolCC.edu/FinancialAid.

If you plan to begin in either the fall or spring semester, you should complete the appropriate FAFSA® form for that academic year.

Bristol Priority Financial Aid Deadline

Fall Semester - April 1

Spring Semester - November 1

! If you miss the deadline, apply as soon as possible! Applications are accepted year-round, but remember that applying by the deadline will ensure that you are eligible for the maximum possible award.

! If your application is submitted late, you may need to make arrangements to pay your bill out-of-pocket until you receive a financial aid decision. You will also need to pay for your books on your own. Failure to make payment by the bill due date could result in being dropped from classes.

Book Advances

If you have a financial aid award that is greater than your billable costs, you may be eligible for a book advance, which can be used to purchase books at the Bristol Bookstore. Book advances can be used at the start of each semester.

Financial Aid is disbursed mid-semester. If any funds remain, the credit is paid to you through your selected refund method with Student Accounts. Check the college website for more information at BristolCC.edu/BookAdvance.

For information regarding your bill and Financial Aid check your **accessBCC** account for updated information.
