THIS YEAR’S HIGHLIGHTS . . .
New center in Taunton
Bristol Community College opened a comprehensive new center in Taunton this fall, bringing together all Taunton-based credit and noncredit classes and services to the former Taunton Catholic Middle School. The new facility, located just off the Taunton Green, enables the College to offer classes day and evening, as well as having one location for high school equivalency, adult literacy, and career certificate programs. More than 375 students enrolled at the new site this fall, up 51% from the year before.

MISSION OF THE COLLEGE
As the leading resource for education and workforce development in southeastern Massachusetts, Bristol Community College provides programs that promote individual opportunity and the region’s economic health. Our programs offer a strong foundation in liberal arts and sciences; career-ready education in health sciences, engineering and technology, and business; and comprehensive developmental education and adult literacy services; delivered in a learner-centered, supportive community. The College also develops active partnerships with business and industry, preK-12, colleges and universities, and social service agencies to maintain relevance and effectiveness of all credit and noncredit programming. We value and respect diversity within the College and the world. Bristol Community College prepares well-rounded learners for employment and for life.

VISION STATEMENT
Bristol Community College changes the world by changing lives, learner by learner.
