About Bristol Community College

Bristol Community College is a leading resource for education and workforce development in Southeastern Massachusetts. BCC has locations in Fall River, Attleboro, New Bedford, and Taunton, along with flexible online offerings that lead to an associate degree, a career-ready certificate, or the ability to seamlessly transfer to baccalaureate colleges throughout the state and country.

The College's Center for Workforce and Community Education provides customized training for businesses and the community including healthcare, workforce and sustainable initiatives, and corporate services.

The BCC Foundation, a non-profit organization utilizing community donations and partnerships, supports the College's mission to meet the lifelong educational needs of the community. For more information, visit <http://www.bristolcc.edu/about>.
