

# BACHELOR OF ARTS IN SOCIAL WORK

## MOVE INTO A REWARDING CAREER HELPING OTHERS

The goal of social work is to enhance the well-being of individuals, families, and communities. **UMass Global's** online **Bachelor of Arts in Social Work (BASW)** program fosters students' understanding of social, political, and cultural change, while also developing skills in organizational management and technological applications necessary to serve diverse populations effectively. Students earn real-world experience and prepare for a social work career in a variety of settings.

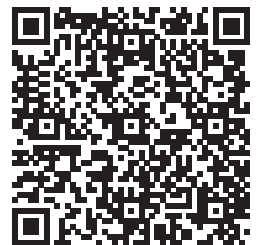

Should you opt to continue on to a Master of Social Work degree, earning this BASW will give you "Advanced Standing" into the UMass Global MSW program, enabling you to earn your master's degree in as little as one year.

### EXPLORE THE UMASS GLOBAL BASW ONLINE PROGRAM:

- Hone your skills through 400 supervised on-site field practice hours.
- Learn from scholar practitioner faculty who are also seasoned social workers.
- Accredited by the Council on Social Work Education.
- 100% Online, earn your degree while working full-time.

## CURRICULUM

Bachelor's degrees require students to complete a minimum of 120 semester units — a combination of general education requirements and program specific requirements. But if you've attended any regionally accredited college or university, you may be able to transfer in as many as 90 credits, dramatically shortening your path to your bachelor's degree.
