

## EXAMPLE/TEMPLATE FOR A MULTI-YEAR ASSESSMENT PLAN

*Use chart below to assist in PLO Assessment alignment.*

- Year being measured: This will either be in Year 3 or in Year 4. Please indicate the year and or semester.
- Program Learning Outcome: PLO from curriculum map.
- Types of evidence & source/s: Direct evidence and/or indirect evidence. Tool being used (generated artifact)
- Population: Who are the students from which you will be collecting data. (students enrolled in specific course/courses, eligible graduates)
- Approach to data collection & tool: Who will be responsible for the assessment (Individual faculty teaching the course, department collaboration)
- When evidence is collected: This will either be in Year 3 or in Year 4. Please indicate the year and or semester.
- Recommendations & Integration: This will either be in Year 3 or in Year 4 and likely become part of the annual report.

Program Learning Outcomes:

- 1.
- 2
- 3
- 4
- 5
- 6
- 7

### Recommendations & Integration:
