

Since its chartering in 1965, Bristol Community College has been advancing a vibrant, diverse community through education, learner by learner. Bristol is where people from diverse backgrounds turn to earn a degree, access work-related training and expand their cultural and intellectual horizons.

Bristol offers a rich variety of career and transfer programs that lead to an associate degree in science, arts and applied sciences, as well as certificates of accomplishment or achievement. Students are able to transfer to many baccalaureate institutions throughout the state and country from any of our convenient locations in Attleboro, Fall River, New Bedford, Taunton and online.

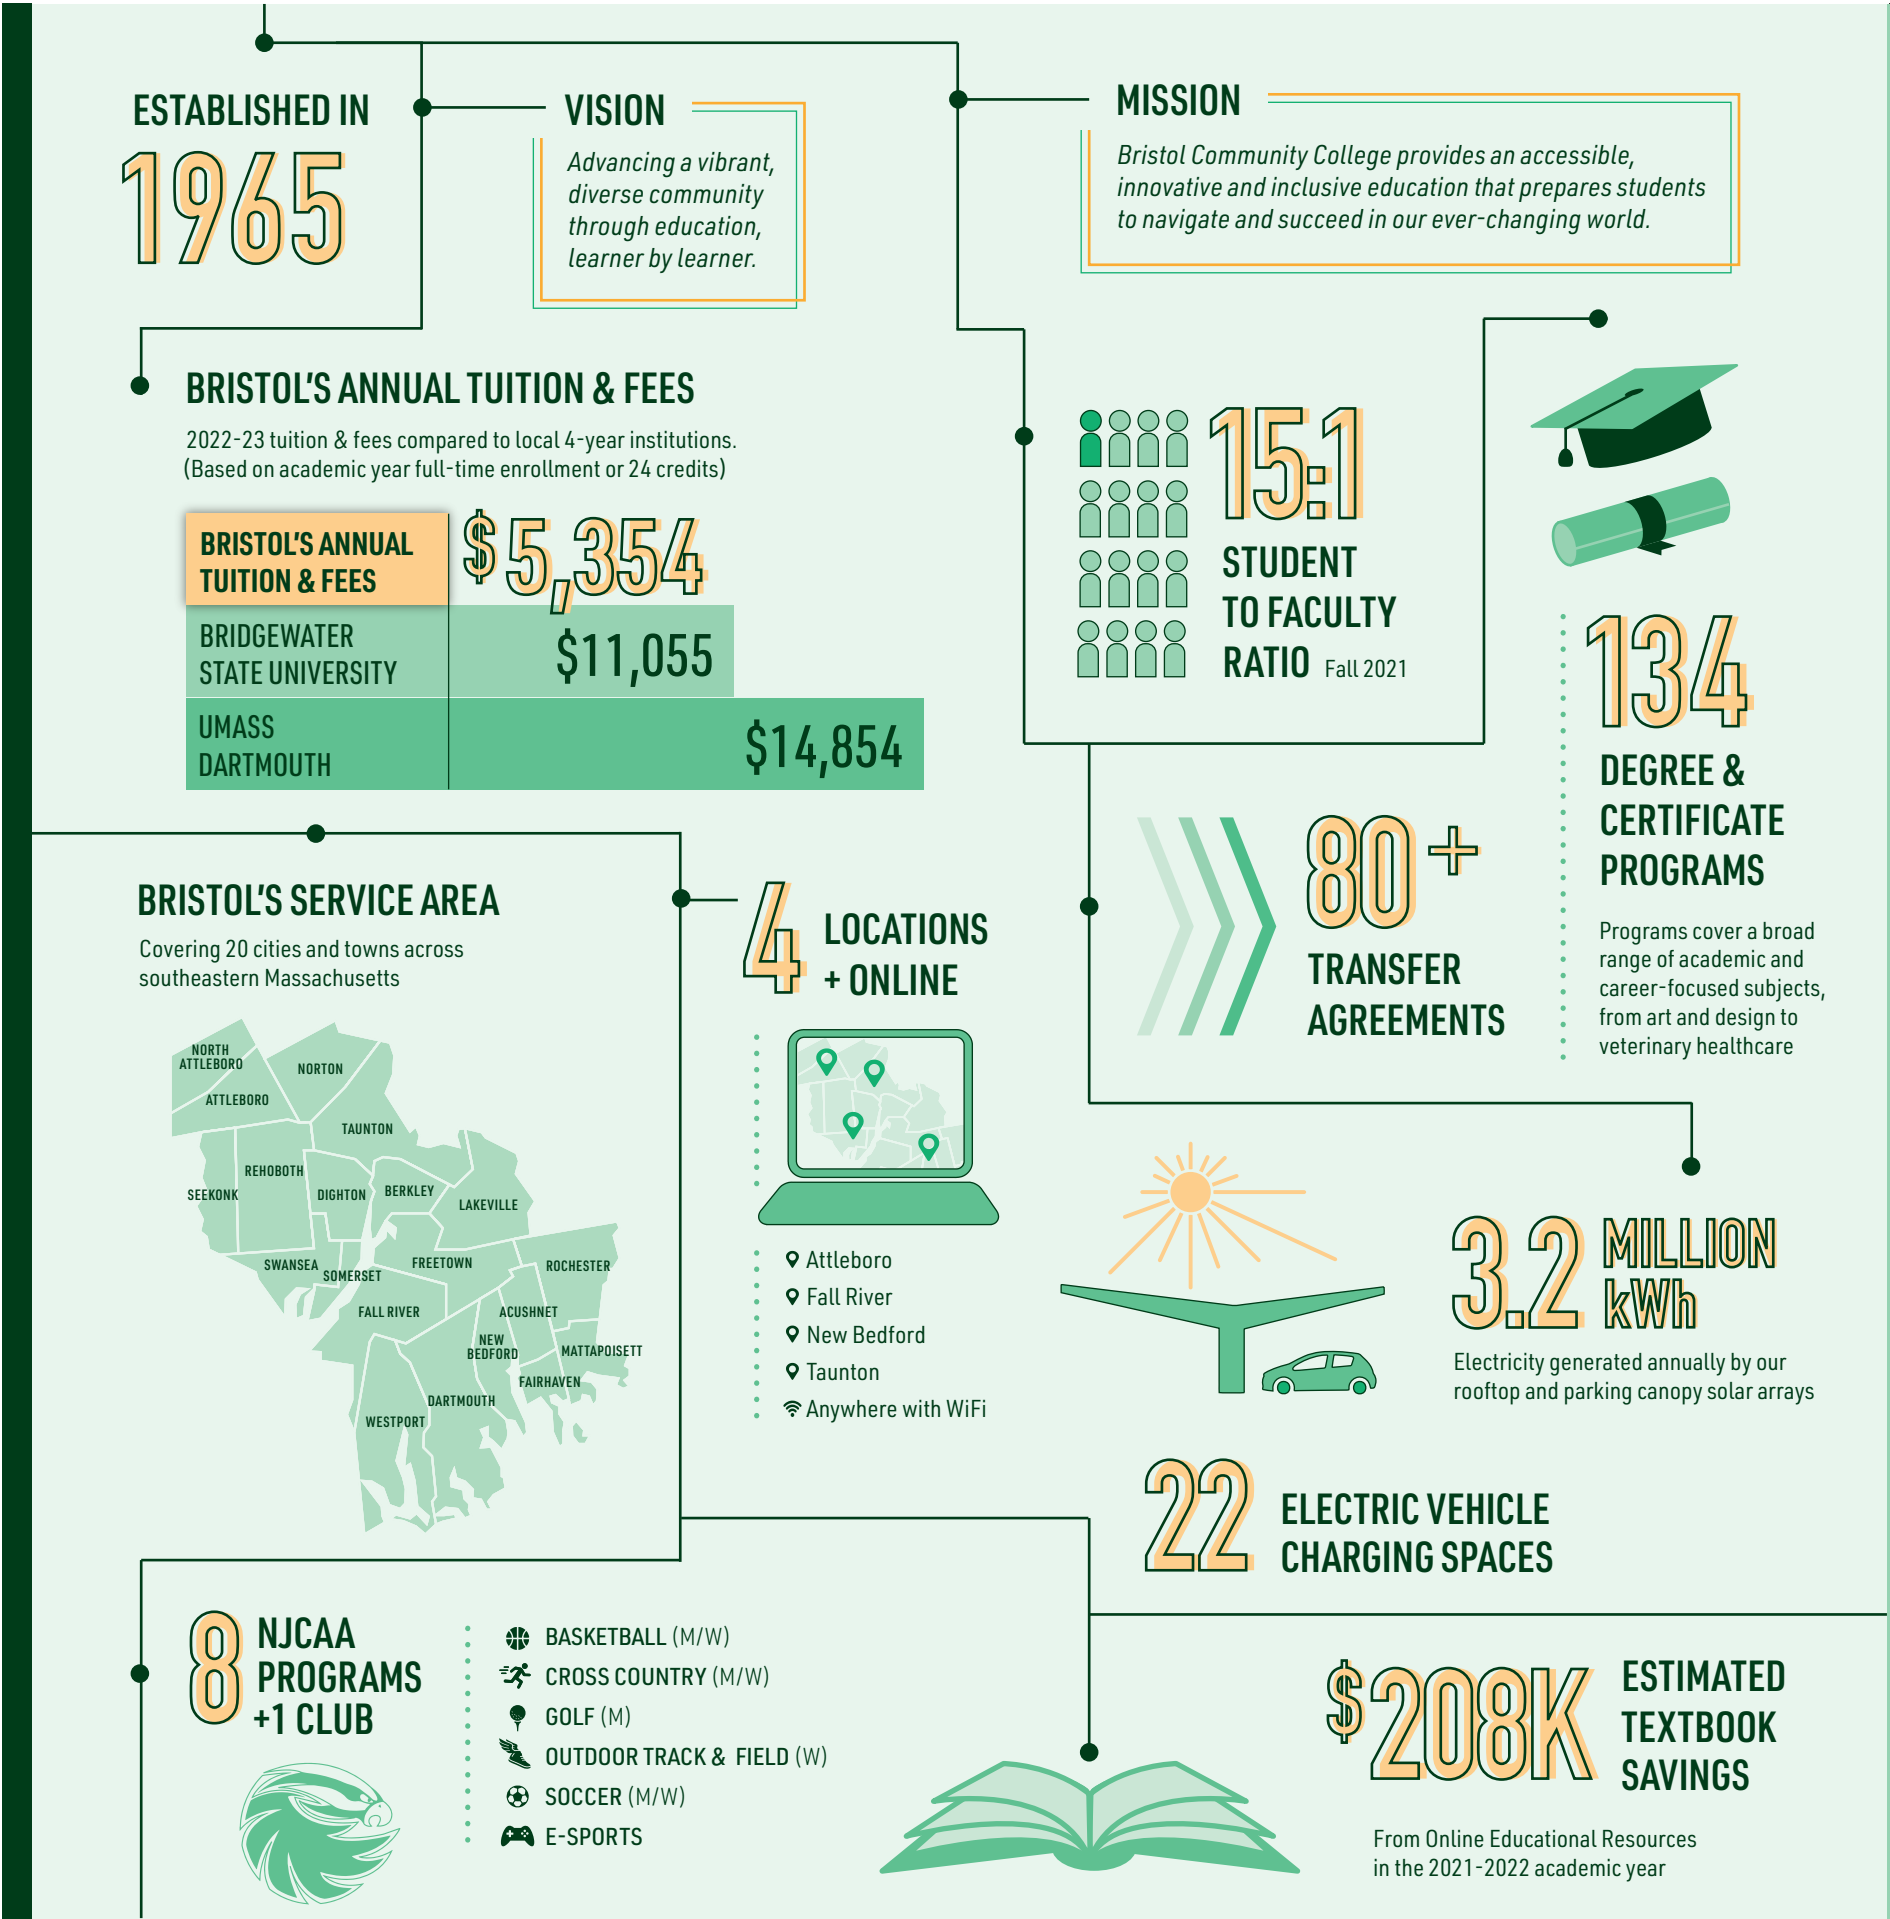

As the leading resource for education and workforce development in southeastern Massachusetts, Bristol provides programs that promote individual opportunity and the region's economic health. Bristol's Business Solutions & Partnerships provides customized training for businesses and the community. The college also strives to put the needs of learners first, with support services and career advancement opportunities that lead to student success by reducing barriers to educational access.

Bristol also develops active partnerships with business and industry, preK-12, colleges and universities and social service agencies to maintain relevance and effectiveness of all credit and noncredit programming. Bristol provides an accessible, innovative and inclusive education that prepares students to navigate and succeed in our ever-changing world.

Bristol Community College is accredited by the Commission on Institutions of Higher Education of the New England Commission on Higher Education, Inc.

Bristol Community College is an Affirmative Action/Equal Employment Opportunity Employer and does not discriminate on the basis of race, sex, gender identity, color, national origin, sexual orientation, genetic information, religion, age, veteran status or disability under state or federal law in any aspect of employment, admissions, access or treatment of its programs and activities.
