**Note:** Faculty members (or the department chair in a faculty member's absence) will be notified of any underage student who has registered for their class and have the right to express concern if they feel course content may not be appropriate for the student. This concern must be communicated in writing to the Vice President of Academic Affairs. If the Vice President determines that the reasons given constitute a compelling factor to limit (with specific parameters) or deny enrollment of the student in the course by the college, that decision will be communicated to the faculty member and the student. Faculty will also be requested to complete and submit a mid-semester and end-of-semester grade check to the designated Advisor of Underage Students. The faculty member and all signatories will be notified in writing of the approval or disapproval of this application.
