Objectives:

1. To help BayCoast Bank attract and retain diverse, local employment candidates to their organization, and help them attain the necessary academic skills from Bristol Community College and the University of Massachusetts, Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between the participating higher education institutions.
3. To provide specific information and guidelines for the BayCoast Scholars transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for BayCoast Scholars attending Bristol Community College and the University of Massachusetts, Dartmouth.

Stipulations:

1. University of Massachusetts, Dartmouth guarantees acceptance of BayCoast Scholars Bristol Community College students who complete the Associate's Degree with an overall GPA of 2.5, as outlined in this document. All criteria of MassTransfer will apply.
2. BayCoast Bank agrees to provide students with career and academic mentorship and financial guidance.
3. Bristol Community College will notify UMass Dartmouth of the intent to run the cohort and the number of students in the cohort along with the cohorts anticipated completion date at Bristol. Bristol Community College will maintain contact with UMass Dartmouth each semester to include updated numbers of students within the cohort along with confirmation of successful completion of coursework each semester, in accordance with FERPA regulations.
4. Transfer students designated above will not be required to take more than 57 additional credits to receive a baccalaureate degree.
5. It is understood that students transferring to UMass Dartmouth must complete a minimum of 45 credits of work to meet the residency requirement at UMass Dartmouth. At least 30 credits of advanced specialized courses must be completed.
6. While matriculated at Bristol Community College, if a student does not successfully complete one or more of the courses prescribed in this document within said timeframe, the student will no longer be included in the current fast track cohort. The student has the option to design an alternate plan at Bristol Community College to retake the course(s) or the student can apply to UMass Dartmouth's general transfer student population in which they will design a degree plan with an Academic Advisor. In either instance, the student will not be part of the current cohort, but will still have the opportunity to obtain a degree contingent on University eligibility requirements.
7. After registering for the final semester at Bristol Community College, BayCoast Scholars will then apply for admission to UMass Dartmouth. Bristol Community College will take a lead role in getting students to enroll on time. Application fee will be waived and the student will provide UMass Dartmouth with a current transcript for review and acceptance purposes. This application process must be completed within the month of October.
8. After completion of the final semester at Bristol Community College, the student will be responsible for sending an updated transcript to UMass Dartmouth with final grades and degree conferral date of the Associate's Degree.

Mutual Responsibilities:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Bristol Community College and University of Massachusetts, Dartmouth will incorporate a summary of this agreement into official publications and web sites.
4. Both institutions agree to approve all marketing materials prior to distribution to the public.
3. All institutions agree to support students in navigating the program.

Review/Revision:

1. All institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one-year notice prior to termination of the agreement.

Financial:

1. Students will be required to complete the Free Application for Federal Student Aid (FAFSA)
